# ColorHues™

**AS**  
ADAPTIVE SIGNAGE  
888.686.7446

ColorHues lightweight cell cast acrylic signage material exudes brilliant colors with the smooth, clean look of glass. The material is well-suited for tactile signage applications or is easily embellished with stand-offs, mounting fixtures or other display hardware.

\*Natural variation in color is to be expected with this product.

# ColorCast Acrylics™

ColorCast Acrylics is a cell cast acrylic product that is harder and has greater optical clarity than extruded acrylics. You'll find them to be the perfect application for Point-of-Purchase displays and outdoor signage.
